East on Via Linda to the Mercado shopping center

Right in the driveway just past the health club (Fitness Experience)

My building is on the left (east side), and the bldg. number is posted on the NW side of the building. It's a Spanish style building with wrought iron balconies and a large Fountain in the courtyard.

After you park (anywhere that is not covered parking), go into the center of the courtyard and find the elevator to the right (on the east side); my office is almost directly above it.

**Coming from the east Valley**, take Shea Blvd. west to Via Linda (south) and proceed to 10245 (just opposite the entrance to the Scottsdale Ranch Park). If you come to Mountain View, you have gone too far.

Turn south into the driveway just past the health club (Fitness Experience)
